

THE FLORIDA SENATE
SENATOR WILTON SIMPSON
President

MEMORANDUM

TO: All Senators
FROM: Wilton Simpson
SUBJECT: Senate Majority Leader
DATE: November 23, 2020

Senator Debbie Mayfield will serve as our Republican Leader for the 2020-2022 Legislative Term.

A skilled and seasoned member of the Republican Caucus, Senator Mayfield's service in both the House and Senate has provided her with institutional knowledge that is critical for helping guide major legislation through the process. She is a strong advocate for the priorities of her fellow Senators and knows how to build the consensus needed to bring key legislation across the finish line. Just last session, Debbie successfully carried a top priority of the Governor, served as chair of an Appropriations Subcommittee, and authored one of the most significant pieces of water quality legislation we have seen in many years.

I am confident that Debbie will be a strong, conservative leader for the Republican Caucus and am grateful that she has accepted this important responsibility.
