

THE FLORIDA SENATE
SENATOR KATHLEEN PASSIDOMO
President

MEMORANDUM

TO: Senators and Senate Staff
FROM: Kathleen Passidomo
SUBJECT: Hurricane Helene Closures
DATE: September 24, 2024

The storm that is anticipated to become Hurricane Helene is strengthening as she approaches Florida, and the exact path remains uncertain. It is important that everyone take the time to make preparations for your home and family.

Taking into account storm preparations and anticipated school closures, out of an abundance of caution, Senate Offices in Tallahassee will be closed on Wednesday, September 25 - Friday, September 27. Senators maintain discretion regarding the closure of any district office in the impacted areas.

As we all know, wireless service can be limited in storm-impacted areas, making cell phone and email communications difficult. To the extent possible, please notify your immediate supervisor of any severe impacts following the storm.

Please stay safe and cautious during this uncertain time.
