

THE FLORIDA SENATE
SENATOR BEN ALBRITTON
President

MEMORANDUM

TO: All Republican Senators
FROM: Ben Albritton
SUBJECT: Republican Caucus Meeting
DATE: August 15, 2025

Please accept this memorandum as official notice that I am calling a meeting of the Republican Caucus to be held on Tuesday, October 14, 2025, at 2:00 p.m. in the Senate Chamber, for the purpose of selecting Senator Jim Boyd of the 20th District as the Senate President-Designate for the 2026-28 Legislative Term. Please confirm your attendance with the Senate Majority Office.

Senator Boyd and I came into the House together in 2010 as part of a large freshman class. He quickly became a highly trusted friend and confidante. A dedicated family man and business owner, we have all witnessed his strong work ethic, innate intellect, and willingness to tackle tough issues with grace and good humor – all characteristics that enabled him to quickly rise to leadership positions in both the House and the Senate.

Jim always works to build consensus and has spent countless hours with Senators on both sides of the aisle exploring and talking through ideas to make legislation stronger and bring tough and complex issues across the finish line. When it comes to constituent services, he digs into the details to make sure Floridians are getting the answers they need and expect from our elected leaders. As our Majority Leader, we have seen Jim work to ensure the Senate Floor runs smoothly and all Senators have the opportunity to be heard. For these reasons, and more, Jim has proven he has the support of Senate Republicans and is ready to lead our Caucus and our Chamber as the 92nd President of the Florida Senate.

As we continue into the fourth decade of our Republican Majority in the Florida Senate, now, more than ever, Floridians are showing strong support for a conservative agenda, guided by leaders who defend faith, family, the dignity of work, and the opportunity to live in freedom. Jim Boyd is the right leader to carry on the legacy of Republican leadership in the Florida Senate, and I couldn't be more blessed by him.
