Senate Republicans Stand Ready to Lead and Deliver for Families and Florida's Future

Tallahassee –Senate Majority Leader Jim Boyd (R-Bradenton) issued the following statement on the 2026 Legislative Session Opening Day.

“Over the next 60 days, Senate Republicans will advance policies to improve the lives of Floridians through meaningful conservative reforms that protect individual freedoms. Working with our House partners, we will uphold our constitutional requirement to pass a fiscally responsible, balanced state budget that delivers savings for Florida taxpayers. Building upon our successes, we will ensure long-term affordability for families and lay the foundation for Florida’s continued prosperity. The Republican Caucus stands ready to deliver results for Floridians and their families under the steadfast leadership of Senate President Ben Albritton.”
