CS/SB 54 Advances Through Appropriations Committee on Criminal Justice

Tallahassee, FL — CS/SB 54, sponsored by **Senator Barbara Sharief**, advanced today through its second committee stop in the Appropriations Committee on Criminal Justice (ACJ).

The bill addresses procedures related to information collection and reporting following incidents of life-threatening violence, including provisions involving medical examiners reporting requirements and training for certain public safety and school personnel regarding substances that may affect cognitive function.

CS/SB 54 will now move forward to its next committee of reference.

If enacted, this legislation is set to take effect on July 1, 2026.
