### **Senator Barbara Sharief to Celebrate Nurses Day at Florida Capitol**

**Miami, FL** – On Wednesday, February 4, **Senator Barbara Sharief** will proudly host the Florida Nurses Association (FNA) and the Black Nurses Association (BNA) Miami Chapter at the Florida Capitol.

This special gathering is dedicated to celebrating nurses and giving them the flowers they truly deserve for their unwavering service, leadership, and commitment to the health of our communities.

“Nurses are the heart of healthcare,” said **Senator Sharief**. “This event is about honoring their impact, uplifting their voices, and showing appreciation for the work, they do every single day.”

The event will bring together nursing professionals and community leaders for recognition, connection, and celebration.
