

# DELIVERING FOR DISTRICT 35

Real results. Real representation.

June 2026 Edition

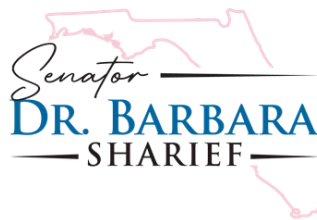

As summer begins, important work continues on behalf of the residents of District 35.

This month brought important developments in Tallahassee, including finalization of the state budget and advanced proposals that could shape the future of property taxes in Florida. As these discussions continue beyond the Capitol and into communities across our state, I remain focused on ensuring the voices of District 35 are heard and represented.

Thank you for the opportunity to serve our community and advocate on your behalf each day.

*Senator Dr. Barbara Sharief*

Florida Senate, District 35

## **Engaging Future Leaders at Flanagan High School**

I was honored to speak with students from Flanagan High School's PAVE (Political Activism and Voter Engagement) Club about civic engagement and public service.

Their enthusiasm and commitment to making a difference was inspiring and a reminder of the importance of encouraging the next generation of leaders.

## **Celebrating Fort Lauderdale United FC in Davie**

I was honored to serve as an honorary captain for Fort Lauderdale United and join the community in celebrating women's professional soccer right here in Davie.

Events like these showcase the positive impact of sports, bringing people together while inspiring the next generation of athletes and leaders.
