Budget Appropriations

Representative Booth and I were proud to present our \$300,000 budget appropriation to Came to Believe Recovery for their Addiction Recovery Pilot Program. This project was part of the over \$8 million dollars I brought home to District 25.

Came to Believe Recovery (CTBR) works to empower individuals and families to find lasting freedom from addiction. These funds will be used for CTBR to conduct recovery retreats throughout Florida, partnering with agencies such as local rehabilitation centers, missions, public offerings and the Salvation Army.

CTBR will bring their unique and proven curriculum and process to Floridians in need through an innovative 3-day retreat model. This will allow Came To Believe, working with others, to reach hundreds of individuals in need of hope and a plan for an addiction-free future.

District Updates

I had the opportunity to tour the Central Florida Behavioral Health Hospital this month! From serving pediatrics to our seniors, they are an invaluable resource for those suffering from mental health disorders and to aid them on their path to recovery.

It was such a pleasure to be part of the future of advanced air mobility at the Kissimmee Gateway Airport with aviation leaders and

my fellow legislators. Flying taxis are part of the future of transportation, and more people in the air means fewer people on our roads. Thank you to Representative Spencer for passing important legislation to help propel the funding necessary for vertiports and charging stations.

ICast 2026 was such an amazing experience. It was great to connect with Florida's sportfishing industry leaders, learn about the latest innovations, and meet with Florida-based manufacturers and conservation advocates. Thank you to the American Sportfishing Association for the invitation!

Non-Profit Spotlight

The Team had the opportunity to deliver meals with Osceola Council on Aging's Meals on Wheels program. It was such a rewarding opportunity to help out those in need and connect with our community.

The Osceola Council on Aging provides centralized services and programs that support the dignity and independence of seniors and quality life for all generations. As the largest social services organization in Osceola, we are proud to assist them in the work they do. Thank you for an incredible experience!
