August in District 14,

This August has been spent trying to connect with the people who make this district what it is, you. We hosted a Town Hall, where we spoke with constituents about issues like teacher pay, public transportation in Tampa Bay, preemption, and property taxes. This month, we really wanted to emphasize that Florida is facing some big education challenges as our children go back to school. Here in the office, we are working on those solutions.

INDIAN INDEPENDENCE DAY

On the 79th Anniversary of Indian liberation, our office was honored to be invited to the celebration. We thank all those involved and were lucky to raise the flag at Pride Elementary School.

GROVELAND FOUR LUNCHEON

An afternoon full of remembrance, we thank Senator LaVon Bracy Davis for giving us the opportunity to hear about the Groveland Four. Learning about their legacy has been one of the most inspiring parts of August, and we feel lucky to have been amongst their families and our fellow legislators.
