Incredibly excited to honor National Dental Hygiene Month in October with my colleagues by bringing the children in our community the opportunity to receive FREE Dental Screenings. Thankful to Miami-Dade's Department of Health offices for lending us their dental team for the day & to the City of Sweetwater for hosting us.

September was all about sharing our accomplishments with different organizations around Miami-Dade. I am so proud of all the wonderful projects we were able to fund around Miami-Dade County.

My team and I would also like to welcome Paloma Alvarez to the office. Paloma joined us this month and we are thrilled to have her!

Sincerely,
Senator Ana Maria Rodriguez
