Incredibly eventful month of May!

Congratulations to all the students who've graduated this month! My team and I wish you the very best in your next endeavors.

Hurricane season begins tomorrow and in order to alleviate the expenses that come with preparing for a storm, the Florida Legislature has once again passed a tax holiday beginning June 1st through June 14th. Take advantage of the tax holiday and stock up on all your storm needs.

**Sincerely,**

**Senator Ana Maria Rodriguez**
