Before I begin sharing what happened in June, I'd like to take a moment to remember those who passed in the Champlain Towers collapse late last week.

We pray for their families and for the Search & Rescue teams doing everything they can.

Sincerely,
Senator Ana Maria Rodriguez

OPPORTUNITY

ECONOMIC IMPACT

PortMiami is a vital economic engine that contributes \$43 billion annually to the local economy and supports 334,000 jobs in South Florida. The expanding business represents thousands of jobs and income opportunities for the local community. Increasing global competitiveness with continued investment in infrastructure projects are critical for an evolving Global City.
