Week Nine!

Dear Residents,

Greetings from the Florida Capitol! As we wrap up the final week of the 2024 Legislative Session, I'm excited to share highlights from the week!

I'm thrilled to share that two of our bills, [SB 1688 - Career Themed Courses](#) and [SB 62 - Resident Status for Tuition Purposes](#), have officially passed in the Florida Legislature! [SB 1688](#) mandates that school districts must notify middle school students and their parents about available career and technical education opportunities. Additionally, it obligates school districts to develop strategies for promoting and informing students about career and technical education programs. By mandating districts to inform students about career options and promoting technical education programs, the bill ensures a more informed student body. It focuses on making information accessible and allowing every student to explore diverse career possibilities.

[SB 62 - Resident Status for Tuition Purposes](#) allows individuals who have been incarcerated in a state or federal correctional facility in Florida not to lose his or her residency status. Geared towards education, this bill is a step forward for previously incarcerated students to either continue or start their education post-release. Affording formerly incarcerated individuals access to in-state tuition rates demonstrates a commitment to promoting a more forgiving educational environment that values rehabilitation and second chances.

I would like to extend a huge thank you to **Representative Dunkley (D-Broward County)** and **Representative Edmonds (D-Palm Beach)** for their untiring dedication to these causes over in the House. I would also like to thank my fellow legislatures for

supporting this very important bill.

Although it is the final week of the 2024 Legislative Session, I'll continue sharing updates straight to your inbox, with valuable information on all things District 32!

I am grateful for the opportunity to represent you, and I am confident that together, we can make a positive impact on the lives of Floridians. Stay tuned for further updates and thank you for entrusting me with the responsibility of shaping a better future for our great state!
