SENATOR RANDY FINE FILES CONCEALED CARRY ON COLLEGE CAMPUS

FOR IMMEDIATE RELEASE

Contact: Anna Budko (321) 409-2025

Tallahassee, FL – Today, Senator Randy Fine filed SB 814 to extend concealed carry rights to college and university campuses. He previously committed to file such legislation in the aftermath of the Muslim terror attacks of October 7, 2023 and many universities around the country refusing to protect their students from on-campus Muslim terror.

“The Second Amendment does not take the semester off when you step on a college campus,” said Fine. “Adults should have the right to protect themselves on campus, particularly after so many universities across America chose to protect Muslim terror advocates over their own students. There is no magic force field that keeps criminals from carrying a gun onto campus; this bill will ensure that students have the same rights on campus as they do off.
