Earlier this month we marked the official end of the 2025 Legislative Session with Sine Die finally arriving, closing out a productive period of policymaking.

I'd be remiss if I didn't mention our beloved Paloma Alvarez who is leaving our office to open her own business. Thank you, Paloma, for all you did for the constituents of District 40! We will miss you. I'd also like to welcome Cedric McMinn to our team. Looking forward to seeing your work for our constituency!

Wishing you and your loved ones a safe and joyful Independence Day as we celebrate the freedoms that make our country so special.

**Sincerely,**  
**Senator Ana Maria Rodriguez**

## SB 322 - Property Rights

SB 322 or HB 213 strengthens property rights by allowing commercial property owners—or their authorized agents—to request immediate removal of unlawful occupants by the county sheriff, provided certain conditions are met. It also empowers sheriffs to arrest unauthorized persons and makes it illegal to trespass, unlawfully occupy, or cause significant damage to commercial property.
