The Arrington Articles

April 21st - 25th Edition

Hello

As we near the end of our Legislative Session, next week marks our final scheduled week. However, we will not be ready to vote on the state budget by that time. The Senate and House are still working through significant differences in their respective budgets and tax packages. As a result, we will either need to extend the session or reconvene at a later date to complete this critical work. Stay tuned for an update when we know more.

I wanted to take the time to acknowledge the senseless tragedy that took place at FSU last week. I'm deeply saddened by the events that unfolded. My thoughts are with the victims, their loved ones, and the entire FSU community as they begin to heal. In times like these, we must come together with compassion and support one another.

Sincerely,

Senator Kristen Arrington and the SD25 Team

Legislative Updates

Senator Arrington was honored to present [SR 1890](#), **Bob Graham Day**, which designates August 9th, 2025, as “Bob Graham Day” in the State of Florida.

Senator Graham dedicated more than four decades to public service, leaving an indelible mark on both Florida and our nation. His leadership, integrity, and unwavering commitment to civic engagement and education continue to inspire generations.

Bill Spotlight

Senator Arrington was featured on Political Connections this week. She had the opportunity to discuss several of her bills and along with some of the legislation she is co-sponsoring.

Visitor Highlights

It was a pleasure to have Congressman Darren Soto visit Tallahassee and to give update on I-4 projects, Sunrail and Brightline to other Senators and staff. Our office ensures we are communicating with our federal partners on these key transportation initiatives that will affect all Floridians.

Earth Day

In April we celebrated both Earth day and Arbor day. These events remind us of the crucial need to protect and support our green spaces. Below is the legislation Senator Arrington is sponsoring to support our local wildflowers.

SB 1152 Specialty License Plates/Florida Wildflower

This bill would increase the fees for the Florida wildflower plates in order to increase funding for further wildflower conservation efforts.
