Session Week 6

April 7-11, 2025

THE SENATOR'S CORNER

This week brought a mix of legislative work and community engagement. On Tuesday, we had the opportunity to meet with local Sanibel officials, UCF students, the Sanibel-Captiva Conservation Foundation (SCCF), and representatives from Keiser University. Wednesday was a full day on the Senate floor, where senators discussed the state budget and various other legislation. On Thursday, appropriations committees convened to continue hearing additional bills. We also had Archabald the Penguin from the Florida Aquarium visit us. It was also great to catch up with Sheriff Rosie from Miami Dade County.

NEXT WEEK

We're looking forward to next week as Children's Week kicks off at the Florida Capitol. It's a special time dedicated to celebrating Florida's children and highlighting the importance of investing in their futures. As Scripture reminds us, "Children are a heritage from the Lord" (Psalm 127:3), and it's our responsibility to nurture, protect, and uplift them. We are honored to stand alongside families, advocates, and community leaders in supporting policies that ensure every child in Florida has the opportunity to thrive.
