

## Committee on Infrastructure and Security

### **CS/CS/HB 787 — Driver Licenses and Identification Cards**

by State Affairs Committee; Transportation and Infrastructure Subcommittee; and Rep. Tomkow and others (CS/CS/SB 1692 by Appropriations Committee; Infrastructure and Security Committee; and Senator Flores)

The bill authorizes an optional “D” designation on the driver license of a person who has been diagnosed with a developmental disability. The licensee, or his or her parent or legal guardian, must present the Department of Highway Safety and Motor Vehicles (DHSMV) with sufficient proof that a licensed physician has diagnosed the licensee with a developmental disability. Additionally, a licensee, or his or her parent or legal guardian, may surrender his or her current driver license at any time to add or remove a “D” designation. If the applicant is not conducting any other transaction affecting the driver license, the standard \$25 replacement fee is waived.

The bill also requires the DHSMV to include an option on the driver license or identification card application form to make a voluntary contribution of \$1 or more to Childhood Cancer Care to be distributed to the Live Like Bella Childhood Cancer Foundation.

The bill is linked to HB 789, a fee bill, which provides for the payment of an additional \$1 fee for a new or renewed driver license with a “D” designation or a payment of a \$2 fee upon the surrender and replacement of a current driver license to add or remove a “D” designation.

If approved by the Governor, these provisions take effect October 1, 2020.
