Department of Management Services
Statewide Law Enforcement Radio System

Wireless Services
Contracted Services

From the funds in Specific Appropriation XXXX, the Department of Management Services (DMS) is authorized to renew the current Statewide Law Enforcement Radio System (SLERS) contract. As part of the renewal, the Department shall seek resolution of the dispute over non-proprietary use of the conveyed towers.

The Department is also directed to procure a business case to evaluate public safety communication solutions in collaboration with the Joint Task Force on State Agency Law Enforcement Communications. The business case shall identify solutions that will expand interoperability, improve coverage, enhance audio clarity, identify emerging technology features, and advance public safety collaboration opportunities.

The Department must release a competitive procurement and, thereafter, issue an award for the replacement of the Statewide Law Enforcement Radio System. At a minimum, future services must utilize the industry standard Project 25 Phase II delivery methodology. The procurement must also consider emerging technologies to enhance interoperability, promote public safety, improve coverage and enhance audio clarity.
