

## Committee on Education Pre-K - 12

### **SB 7022 — OGSR/Marjory Stoneman Douglas High School Public Safety Commission/Safe-school Officers**

by Education Pre-K - 12 Committee and Senator Collins

The bill saves from repeal two exemptions from public records and public meetings requirements. The bill saves from repeal the exemption from public meeting requirements relating to any portion of a meeting of the Marjory Stoneman Douglas High School Public Safety Commission at which exempt or confidential and exempt information is discussed.

The bill also saves from repeal the exemption from public records disclosure requirements relating to any information held by a law enforcement agency, school district, or charter school that would identify whether a particular individual has been appointed as a safe-school officer.

If approved by the Governor, or allowed to become law without the Governor's signature, these provisions take effect October 1, 2023.
