

Committee on Governmental Oversight and Accountability

SB 7006 — OGSR/Nationwide Public Safety Broadband Network

by Governmental Oversight and Accountability Committee

The bill amends s. 119.071, F.S., to continue to keep confidential and exempt from public disclosure information held by an agency which is related to the Nationwide Public Safety Broadband Network. The exemption applies to information that would reveal:

- The design, development, construction, deployment, and operation of network facilities;
- Network coverage, including geographical maps showing actual or proposed locations of network infrastructure;
- The features, functions, and capabilities of network infrastructure and facilities, and network services provided to first responders;
- The design, features, functions, and capabilities of network devices provided to first responders and other network users; or
- Security, including cybersecurity, of the design, construction, and operation of the network and associated services and products.

If approved by the Governor, or allowed to become law without the Governor's signature, these provisions take effect October 1, 2023.
