63	118	From the funds in Specific Appropriation 118, \$547,500 in recurring funds and \$10,040,975 in nonrecurring funds from the General Revenue Fund are provided for the new Adult General Education Performance-Based Incentive Funds. The awards to school districts and the Florida College System shall be based upon most recently available performance in adult basic education, high school equivalency, adult high school, and English language acquisition. These funds may only be spent on adult general education programs including the following: continued support or expansion of integrated education and training programs, industry credential attainment for students, instructional and student supports, and other expenses related to adult education program improvement.	From the funds in Specific Appropriation 118, \$2,500,000 in nonrecurring funds is provided for the Adult General Education Performance-Based Incentive Funds Program. Program funds are to be awarded to school districts and Florida College System institutions based upon the most recently available performance data for: the number of adults participating in adult basic education or English language acquisition who then earn a non-degree credential; the number of adults earning high school equivalency, participating in adult high school or an adult education program who then complete a Florida College System program within 150 percent of calendar time. These funds shall be spent on supporting or expanding integrated adult education and training programs; industry credential attainment for students; and instructional and student supports. The Department of Education shall establish program metrics and award amounts, administer the program, and allocate funds.	Different
64	118	From the funds in Specific Appropriation 118, \$4,000,000 in nonrecurring funds from the General Revenue Fund is provided for the New Teacher Apprenticeship Program and Mentor Bonus. The program shall provide individuals who have their associate degree the ability to participate in a two-year, paid and registered apprenticeship program. The mentor teachers shall teach with apprentice teachers for the two years of the program. The funds provide bonuses for 2,000 mentor teachers for their participation in the program on a first come, first serve basis. Mentors shall receive \$2,000 upon completion of year one and \$2,000 upon completion of year two of the program. The funds are contingent upon SB 244 or similar legislation becoming a law.
