73	The Division of Early Learning is directed to develop a methodology to evaluate the relative per-child funding provided to each early learning coalition through the base school readiness allocation. This methodology must use 2022-2023 FTE enrollment data available as of August 10, 2023, and must factor in the average reimbursement rates for each care level and the district cost differential established pursuant to section 1011.62(2), Florida Statutes. Once a weighted per-child allocation is calculated, this funding must be allocated to increase the weighted per-child allocation as much as possible.	Maintain House Position.	Accept House Position	73
74	Based on this methodology, the Division of Early Learning shall allocate these funds by September 1, 2023. The division shall submit a report to the Governor's Office of Policy and Budget and the chair of the Senate Committee on Appropriations and the chair of the House Appropriations Committee by September 1, 2023, on this allocation.
