21	From the funds in Specific Appropriation 2011, \$6,000,000 shall be used by the Commission for the Transportation Disadvantaged for an innovative grant program. Funds shall be used to provide competitive grants to community transportation coordinators for innovative service delivery that is more cost efficient for the program and time efficient for the users. Grants may be for projects in which a community transportation coordinator works with a non-traditional service provider, such as a transportation network company or other entity, that provides door-to-door, on-demand, or scheduled transportation services. A county may submit one project that encompasses multiple goals or a single goal, such as providing cross-county mobility or reducing service gaps between existing routes and the user's final destination. A county may not receive more than one award and may receive a maximum award of \$750,000. Multiple counties may partner for a grant of up to \$1,500,000 provided that the project includes a goal of providing regional mobility in addition to any other goals. A ten percent local match is required for all grants. All funds shall be used to provide direct services to transportation disadvantaged clients. 828	<p>CS/CS/HB 1285 The bill repeals the Florida State Guard's expiration date, making it a permanent component of the state militia. The bill revises the structure of the FSG by creating a Division of the State Guard (Division) within the Department of Military Affairs as a separate budget entity, headed by a director who is appointed by the Governor and confirmed by the Senate. The bill also transfers administrative duties and powers from the Adjutant General to the director. The bill requires the director to organize a specialized unit within the FSG and requires specified members of the unit to meet certain minimum requirements.</p>			828
