SECTION 2 - GENERAL REVENUE AND OTHER TRUST FUND				
1	PCU Intro	Institutions receiving funds from Specific Appropriation 57 must submit an annual report to the Department of Education detailing the following metrics for Florida resident students: entrance requirements for the year; percentage of students receiving Pell Grants, Bright Futures, and other academic aid; graduation rates; retention rates; job placement rates; and job placement rates in-field up to 120 days past graduation. The report shall also include information for each institution on the total federal loan amounts disbursed and the total number of students who received federal loans. The report must be submitted by September 1, 2023, and reflect prior academic year statistics.	NOT INCLUDED	Maintain House Position
2	58	<p>From the funds provided in Specific Appropriation 58, \$500,000 in nonrecurring funds from the General Revenue Fund is provided for accredited private educational institutions that offer licensed practical nurse, associate of science in nursing, or bachelor of science in nursing programs, and possess a first-time passage rate on the National Council of State Boards of Nursing Licensing Examination of at least 70 percent for the prior year. The funds are provided to incentivize collaboration between nursing education programs and health care partners. Funds are provided for student scholarships, recruitment of additional faculty, equipment, and simulation centers to advance high-quality nursing education programs throughout the state. Funds may not be used for the construction of new buildings.</p> <p>An institution must submit a timely and completed proposal to the Department of Education, in a format prescribed by the department. The proposal must identify a health care partner located and licensed to operate in the state whose monetary contributions will be matched by the fund on a dollar-to-dollar basis, subject to available funds.</p> <p>Annually, by February 1, each institution awarded grant funds in the previous fiscal year shall submit a report to the Board of Governors or Department of Education, as applicable, that demonstrates the expansion as outlined in the proposal and the use of funds. At a minimum, the report must include, by program level, the number of additional nursing education students enrolled; and if scholarships were awarded using grant funds, the number of students who received scholarships and the average award amount.</p>	NOT INCLUDED	<p>Modified Position:</p> <p>From the funds provided in Specific Appropriation 58, \$500,000 <u>\$5,000,000</u> in nonrecurring funds from the General Revenue Fund is provided for accredited private educational institutions that offer licensed practical nurse, associate of science in nursing, or bachelor of science in nursing programs, and possess a first-time passage rate on the National Council of State Boards of Nursing Licensing Examination of at least 70 percent for the prior year. 8	115	From the funds in Specific Appropriation 115, \$15,000,000 in recurring funds is provided for the Pathways to Career Opportunities Grant Program. The Department of Education shall administer the competitive grant program, determine eligibility, and distribute grants. Grantees include high schools, career centers, charter technical career centers, Florida College System institutions, and other entities authorized to sponsor an apprenticeship or preapprenticeship program, as defined in section 446.021, Florida Statutes. The funds may be used to establish new apprenticeship or preapprenticeship programs or expand existing programs. Applicants must provide projected enrollment and projected costs for the new or expanded apprenticeship program. The department shall give priority to apprenticeship programs with demonstrated regional demand. Grant funds may be used for instructional equipment, supplies, personnel, student services, and other expenses associated with the creation or expansion of an apprenticeship program. Grant funds may not be used for recurring instructional costs or for indirect costs. Grant recipients must submit quarterly reports in a format prescribed by the department.	The recurring funds in Specific Appropriation 115 are provided for the Pathways to Career Opportunities Grant Program. The Department of Education shall administer the grant program, determine eligibility, and distribute grants. Grantees include high schools, career centers, charter technical career centers, Florida College System institutions, and other entities authorized to sponsor an apprenticeship or preapprenticeship program, as defined in section 446.021, Florida Statutes. The funds may be used to establish new apprenticeship or preapprenticeship programs, or expand existing programs. Applicants must provide projected enrollment and projected costs for the new or expanded apprenticeship program. The department shall give priority to apprenticeship programs with demonstrated regional demand. Grant funds may be used for instructional equipment, supplies, personnel, student services, and other expenses associated with the creation or expansion of an apprenticeship program. Grant funds may not be used for recurring instructional costs or for indirect costs. Grant recipients must submit quarterly reports in a format prescribed by the department.	Modified Position: From the funds in Specific Appropriation 115, \$15,000,000 in recurring funds is provided for the Pathways to Career Opportunities Grant Program. The Department of Education shall administer the competitive grant program, determine eligibility, and distribute grants. Grantees include high schools, career centers, charter technical career centers, Florida College System institutions, and other entities authorized to sponsor an apprenticeship or preapprenticeship program, as defined in section 446.021, Florida Statutes. The funds may be used for related technical instruction and to establish new apprenticeship or preapprenticeship programs or expand existing programs. Applicants must provide projected enrollment and projected costs for the new or expanded apprenticeship program. The department shall give priority to apprenticeship programs with demonstrated statewide or regional demand. Grant funds may be used for instructional equipment, supplies, personnel, student services, and other expenses associated with the creation or expansion of an apprenticeship program. Grant funds may not be used for recurring instructional costs or for indirect costs. Grant recipients must submit quarterly reports in a format prescribed by the department.
9	115	From the funds in Specific Appropriation 115, \$5,000,000 in nonrecurring funds is provided to enhance the Pathways to Career Opportunities grants to include a specific sub-initiative for the Grow Your Own Teacher Registered Apprenticeship Program Expansion.	NOT INCLUDED	Accept Senate Position
10	118	NOT INCLUDED	From the funds in Specific Appropriation 118, \$2,000,000 in recurring funds is provided to the Department of Education for reimbursement of workers' compensation insurance premiums pursuant to section 446.54, Florida Statutes.	Maintain House Position
11	118	From the funds in Specific Appropriation 118, \$547,500 in recurring funds and \$10,040,975 in nonrecurring funds from the General Revenue Fund are provided for the new Adult General Education Performance-Based Incentive Funds. The awards to school districts and the Florida College System shall be based upon most recently available performance in adult basic education, high school equivalency, adult high school, and English language acquisition. These funds may only be spent on adult general education programs including the following: continued support or expansion of integrated education and training programs, industry credential attainment for students, instructional and student supports, and other expenses related to adult education program improvement.	From the funds in Specific Appropriation 118, \$2,500,000 in nonrecurring funds is provided for the Adult General Education Performance-Based Incentive Funds Program. Program funds are to be awarded to school districts and Florida College System institutions based upon the most recently available performance data for: the number of adults participating in adult basic education or English language acquisition who then earn a non-degree credential; the number of adults earning high school equivalency, participating in adult high school or an adult education program who then complete a Florida College System program within 150 percent of calendar time. These funds shall be spent on supporting or expanding integrated adult education and training programs; industry credential attainment for students; and instructional and student supports. The Department of Education shall establish program metrics and award amounts, administer the program, and allocate funds.	Maintain House Position - Funding amount determined by budget

16	124	NOT INCLUDED. Funded in row 35.	The funds provided in Specific Appropriation 124 shall be used by the Florida College System to implement the provisions relating to the Open Door Grant Program in section 1009.895, Florida Statutes.	Accept Senate Position
17	143	<p>From the funds in Specific Appropriation 143, \$250,000 in nonrecurring funds from the General Revenue fund is provided to the Florida State University to create the Center for Rare Earths, Critical Minerals, and Industrial Byproducts (SF 2710) within the National High Magnetic Field Laboratory at the university. The Center shall evaluate Florida’s potential as a production center for rare earths, critical minerals, and industrial byproducts for national security, supply-chain independence, meeting state infrastructure needs, supporting emerging industries, and other beneficial uses.</p> <p>By June 30, 2024, the Center shall issue a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, that addresses the following: the existing and emerging industries that could benefit Florida’s economy and environment through the production and processing of rare earths, critical minerals, and industrial byproducts; the scientific studies that establish the potential value of the rare earths, critical minerals, and industrial byproducts, and the weight of consideration given to each study; the environmental impacts to be eliminated or ameliorated by developing Florida’s potential for producing rare earths, critical minerals, and industrial byproducts; the minerals comprised of or contained in Florida industrial byproducts and solid wastes that are recommended for designation as critical minerals by U.S. Geological Survey; and any proposed actions that could be taken by the Florida Legislature and Executive Branch agencies to facilitate the achievement of identified economic and environmental benefits.</p>	NOT INCLUDED	Maintain House Position
18	143	From the funds in Specific Appropriation 143, \$100,000,000 is provided for State University System Performance Based Recognition Program. These funds should be allocated by the Board of Governors based on performance based funding metric data from the 2023 Accountability Plan. Funds will be allocated to universities if they scored the maximum number of excellence points per metric in the Board’s performance model in section 1001.92, Florida Statutes. Funds will be prorated to universities based on total maximum excellence scores. Universities that receive preeminence funding in Fiscal Year 2023-2024, are not eligible to receive these funds.	NOT INCLUDED	Maintain House Position
19	143	From the funds in Specific Appropriation 143, \$25,000,000 is provided for State University System Performance Based Improvement Program. These funds should be allocated based on Performance Based Improvement criteria as determined by the Board of Governors. If a university does not meet the criteria established by the Board, the funds shall revert and be returned to the State.	NOT INCLUDED	Maintain House Position
