50							50
51	Funds In Specific Appropriation 191 are provided to the Agency for Health Care Administration for the modular replacement of the Florida Medicaid Management Information System and fiscal agent that complies with all applicable federal and state laws and requirements, including, but not limited to, the Centers for Medicare and Medicaid Services Interoperability and Patient Access Rule CMS-9115. Funding shall be held in reserve and is contingent on (1) HB 5003 becoming law, (2) the transfer of funds to the Department of Management Services in Specific Appropriation 189A, and (3) the procurement of Independent Verification and Validation Services by the Department of Management Services for this project. The agency is authorized to submit quarterly budget amendments to request release of funds being held in reserve pursuant to the provisions of chapter 216, Florida Statutes, and based on the agency's planned quarterly expenditures. Release is contingent upon approval of a detailed operational work plan and a monthly spend plan that identifies all project work and costs budgeted for Fiscal Year 2023-2024. The agency shall submit monthly project status reports to the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Committee on Appropriations, and the chair of the House of Representatives Appropriations Committee. Each status report must include progress made to date for each project milestone, deliverable, and task order, planned and actual deliverable completion dates, planned and actual costs incurred, and any project issues and risks.	House	Senate				51
52							52
53		House	Senate	From the funds in Specific Appropriation 191, \$56,160,787 is provided to the Agency for Health Care Administration for the operations and maintenance of the modular replacement of the Florida Medicaid Management Information System and fiscal agent that complies with all applicable federal and state laws and requirements, including, but not limited to, the federal Centers for Medicare and Medicaid Services Interoperability and Patient Access Rule CMS-9115.			53
54							54
55		House	Senate	From the funds in Specific Appropriation 191, \$3,230,996 is provided to the Agency for Health Care Administration to competitively procure a private sector provider with experience in conducting independent verification and validation (IV&V) services of public sector information technology projects subject to the federal Centers for Medicare and Medicaid Services (CMS) Interoperability and Patient Access and Medicaid Information Technology Architecture (MITA) standards to provide independent verification and validation for all agency staff and vendor work needed to implement the modular replacement of the Florida Medicaid Management Information System and fiscal agent. Services shall include: (1) an evaluation of all current and future task orders and their alignment with the applicable contract scope and pricing; (2) an annual complete assessment of the project schedule(s); and (3) a thorough review of all budget requests and monthly and quarterly reporting that is submitted to the legislature. Monthly reports shall include technical reviews of all project deliverables submitted or accepted within the reporting period and assessments of the agency's project management and governance. The contract shall require that all deliverables be simultaneously provided to the chair of the Senate Appropriations Committee, the chair of the House Appropriations Committee, the Executive Office of the Governor's Office of Policy and Budget, the agency, and the Florida Digital Service. The contracted provider shall be available to provide all project related data to the Florida Digital Service in support of its project oversight responsibilities pursuant to section 282.0051, Florida Statutes.			55

515							515
516	Funds provided in Specific Appropriation 370 are provided for the expansion of behavioral health services throughout the state. The department shall prioritize the allocation of these funds to expand community-based supports through a team approach using Children's Community Action Treatment (CAT) teams, Family Intensive Treatment (FIT) teams, Florida Assertive Community Teams (FACT), and mobile response teams. Each team's allocation shall be based on reducing waitlists and ensuring statewide coverage. The balance of funds shall then be distributed to the Managing Entities, pursuant to section 394.9082, Florida Statutes to fund prevention, treatment and recovery services to enhance coordinated systems of care pursuant to sections 394.4573 and 394.495, Florida Statutes. 898	From the funds in Specific Appropriation 539, 5,000,000 from the General Revenue Fund is provided to create a Children's Hearing Aid program within the Department of Health Children's Medical Services program. This program shall provide assistance to families with children 0-18 years of age, who are residents of the State of Florida, and who have been diagnosed with hearing loss by a licensed physician or audiologist. The program will assist with the purchase of hearing aids, assistive listening devices, external cochlear implant processor replacements, earmolds and hearing aid batteries. Children with family incomes at or below 400 percent of the federal poverty level guidelines, and children described in 391.021(2), Florida Statutes, are eligible for the program. Children enrolled or who can qualify for the Florida Medicaid Program or Children's Health Insurance program are not eligible for the program.
