1	The moneys contained herein are appropriated from the named funds to the Agency for Health Care Administration, Agency for Persons with Disabilities, Department of Children and Families, Department of Elder Affairs, Department of Health, and Department of Veterans' Affairs as the amounts to be used to pay the salaries, other operational expenditures, and fixed capital outlay of the named agencies.	Identical	The moneys contained herein are appropriated from the named funds to the Agency for Health Care Administration, Agency for Persons with Disabilities, Department of Children and Families, Department of Elder Affairs, Department of Health, and Department of Veterans' Affairs as the amounts to be used to pay the salaries, other operational expenditures, and fixed capital outlay of the named agencies.	1
2				2
3	AGENCY FOR HEALTH CARE ADMINISTRATION			3
4				4
5	From the funds in Specific Appropriations 179 through 237, the Agency for Health Care Administration shall provide a monthly reconciliation report for all Grants and Donations Trust Fund and Medical Care Trust Fund expenditures and revenues. The report shall include actual expenditures to date by category and revenue collections to date for each month and shall be reconciled to state accounting records. The report shall provide the specific type and source of any revenues collected to date, detailing any applicable Catalog of Federal Domestic Assistance/Assistance Listing Number and statutory references related to the specific revenue collected. The report shall specify each expenditure to date, detailing the specific revenue type and revenue source utilized to pay each expenditure, and the applicable Catalog of Federal Domestic Assistance/Assistance Listing Number and statutory reference related to the specific revenue. The report shall also include the cash balance of the trust fund to date, detailing each revenue source that comprises the fund balance, and the applicable Catalog of Federal Domestic Assistance/Assistance Listing Number and statutory reference related to each revenue source. The report shall be provided to the chair of the Senate Committee on Appropriations and the chair of the House of Representatives Budget Committee by the 15th day of the month following the reporting month. The agency must submit the report by September 15, 2026.	Different		5
6				6
7	From the funds in Specific Appropriations 179 through 237, the Agency for Health Care Administration shall provide an estimate of the state share of costs for the Home and Community Based Waiver to the Agency for Persons with Disabilities for each quarter. The estimate must be based on the actual expenditures for the waiver from the prior quarter. The agency shall provide the estimate to the Agency for Persons with Disabilities by the 10th day of each quarter.	Different		7

ROW	HB 5001E	Status	SB 2500-E	ROW
75	From the funds in Specific Appropriation 201, \$180,000 from the General Revenue Fund and \$180,000 from the Medical Care Trust Fund are provided for the Agency for Health Care Administration to contract with an External Quality Review organization vendor to conduct an evaluation of the Intellectual Developmental Disabilities (IDD) Pilot Program, pursuant to section 409.9855, Florida Statutes.	Different		75
76				76
77		Different	From the funds in Specific Appropriation 201, \$4,000,000 in nonrecurring funds from the General Revenue Fund is provided to the Agency for Health Care Administration to support prescription drug price negotiation and purchasing activities. These funds shall be held in reserve. The agency may submit a budget amendment, pursuant to chapter 216, Florida Statutes, requesting the release of funds authorizing the direct purchase of prescribed drug products by or on behalf of eligible state agencies.	77
78				78
79		Different	From the funds in Specific Appropriation 201, \$1,323,600 in nonrecurring funds from the General Revenue Fund and \$1,676,400 in nonrecurring funds from the Medical Care Trust Fund are provided to the Agency for Health Care Administration to support a pilot program for technology integration between skilled nursing facilities and hospitals to reduce avoidable hospitalizations by improving the quality of patient care, workflow efficiency, and clinical transparency.	79
80				80
81		Different	The agency shall select two pilot Medicaid regions: one primarily urban and one primarily rural. Participating skilled nursing facilities must adopt certified, interoperable clinical technologies with real-time alerting capabilities that also provide clinical insights into patient care and meet applicable state certification and interoperability standards. Participation by facilities shall be voluntary.	81
82				82
83		Different	From pilot program funds, the agency shall establish supplemental payments for participating skilled nursing facilities, structured as an annual per-licensed-bed payment. Fifty percent of payment shall be distributed upon approved participation. Receipt of the remaining fifty percent of payments shall be contingent upon documented reductions in avoidable hospitalizations, demonstrated improvements in care coordination and workflow efficiency, and compliance with data integration, interoperability, and reporting requirements established by the agency.	83
84				84

117	From the funds in Specific Appropriation 203, \$2,500,000 in nonrecurring funds from the General Revenue Fund and \$2,500,000 in nonrecurring funds from the Medical Care Trust Fund are provided to the Agency for Health Care Administration solely and exclusively for a comprehensive independent analysis of the agency's modular replacement of the Florida Medicaid Management Information System, referred to as the Florida Health Care Connections (FX) Project. The Agency for Health Care Administration shall enter into an interagency agreement with the Office of the Chief Inspector General within the Executive Office of the Governor, pursuant to which the Office of the Chief Inspector general shall be responsible for the competitive procurement, contract execution and contract management, and for the reimbursement of costs for the contract with an independent third-party entity possessing demonstrated expertise in large-scale public sector information technology project closure and transition management to perform the analysis. The interagency agreement shall require that all work products, data, and deliverables be developed for the direct benefit and use of the Agency for Health Care Administration in administering the Florida Medicaid Program. The Agency for Health Care Administration is authorized to seek federal financial participation for allowable Medicaid administrative activities associated with this analysis. The agency shall ensure that all costs related to this analysis are claimed in accordance with federal Medicaid requirements, included in the agency's approved cost allocation plan, and supported as necessary for the proper and efficient administration of the state Medicaid program. The Office of the Chief Inspector General and any contracted vendor shall provide documentation, time records, and cost information to the Agency for Health Care Administration in a manner sufficient to support federal claiming and audit requirements.	Different	From the funds in Specific Appropriation 203, \$2,500,000 in nonrecurring funds from the General Revenue Fund and \$2,500,000 in nonrecurring funds from the Medical Care Trust Fund are provided to the Agency for Health Care Administration to contract for a comprehensive, independent technical architecture and feasibility assessment of the agency's Medicaid management information system (MMIS), including components completed under the FX project.	117

379	<p>From the remaining funds in Specific Appropriation 267A, \$15,750,000 in nonrecurring funds from the General Revenue Fund and \$15,750,000 in nonrecurring funds from the Operations and Maintenance Trust Fund shall be held in reserve. The agency is authorized to submit budget amendments to request release of funds pursuant to chapter 216, Florida Statutes. Initial release may not exceed the total planned costs of contracted procurement support through the duration of the competitive procurement, and shall be contingent upon submission of the following: (1) copies of all final documentation provided to the agency by the independent, third-party vendor; and (2) certification by the agency that no product, platform, or system integrator has been selected or otherwise obligated by the agency prior to completion of the independent design and procurement assistance. Upon the initial release of funds, the agency may initiate a competitive procurement, pursuant to section 287.057, Florida Statutes, for the implementation of a modernized, replacement to the current iConnect system that is consistent with the approved initial budget amendment. All subsequent releases shall be quarterly releases contingent upon submission of an updated operational work plan and a detailed monthly spend plan. The first quarterly release shall be additionally contingent upon the agency providing a copy of the unexecuted contract.</p>	Different		379

ROW	HB 5001E	Status	SB 2500-E	ROW
487		Different	The Department of Children and Families shall explore opportunities to maximize federal funding for the Healthy Families Program, an evidence-based, voluntary home visiting program that provides family support and coaching to help parents provide a safe and stable environment for their children. The department shall work with Healthy Families Florida to determine whether the state is satisfactorily meeting the documentation standards required for Title IV-E federal reimbursement. With respect to federal claiming, the department and Healthy Families Florida are encouraged to: (1) seek technical assistance or clarification from Healthy Families America, the national policy organization; (2) research how other states are successfully claiming federal reimbursement for Healthy Families services; (3) identify any roadblocks impeding Florida's federal claiming process; and (4) determine any programmatic, operational, or administrative changes needed to maximize federal earnings. The department shall submit a report of the findings to the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Committee on Appropriations, and the chair of the House of Representatives Budget Committee by December 1, 2026.	487
488				488
489		Different	From the funds in Specific Appropriations 331, the Department of Children and Families and the Department of Health shall work collaboratively with the Florida Association of Healthy Start Coalitions and Healthy Families Florida to identify and implement administrative cost savings through the coordination of shared services. Such efforts shall include but are not limited to: streamlining data sharing and intake processes to reduce redundant data entry and improve participant tracking across programs; coordinating professional development and staff training modules to leverage economies of scale; consolidating public awareness campaigns and outreach materials where program goals overlap; evaluating opportunities for shared administrative functions, such as human resources, IT support, or procurement, at the local coalition and department levels. The departments shall submit a joint report to the Governor's Office of Policy and Budget, the chair of the Senate Committee on Appropriations, and the chair of the House of Representatives Budget Committee by December 31, 2026, detailing the efficiencies identified, implementation timelines, the projected fiscal impact of the cost-saving measures, and recommendations for consolidation of program services.	489

919	From the funds in Specific Appropriation 480, the department may utilize existing federal funds from the Epidemiology and Laboratory Capacity (ELC) grant, the Public Health Emergency Preparedness grant, or any other federal grant or funding source made available to the department to support the operations and maintenance of the Merlin system, to the extent permitted by federal law, applicable grant terms, and funding availability. State funds in Specific Appropriation 480 may be utilized to maintain the Merlin system only to the extent that available and allowable federal funds are insufficient. Unless in response to a new emerging disease pursuant to the process authorized in section 381.0031, Florida Statutes, no funds in Specific Appropriations 432 through 593 are provided for the department to initiate or continue enhancements of the Merlin system.	Different		919
920				920
921		Different	From the funds in Specific Appropriation 480, \$2,000,000 in nonrecurring funds from the General Revenue Fund is provided to the Department of Health for the Food and Product Safety Testing Initiative. Funds shall be used solely for public health surveillance, laboratory analysis, and health-based risk assessment of food and consumer products, including comparison to established health screening benchmarks. Activities funded under this initiative shall not include regulatory enforcement, product approval, inspection, or licensing functions. The department shall coordinate with appropriate state agencies with primary regulatory authority over food production, manufacturing, and distribution, as necessary, to avoid duplication of existing regulatory oversight.	921

1091	From the funds in Specific Appropriation 563, \$5,000,000 from the General Revenue Fund is provided to create a Children's Hearing Aid program within the Department of Health Children's Medical Services program. This program shall provide assistance to families with children 0-18 years of age, who are residents of the State of Florida, and who have been diagnosed with hearing loss by a licensed physician or audiologist. The program will assist with the purchase of hearing aids, assistive listening devices, external cochlear implant processor replacements, earmolds and hearing aid batteries. The program will also assist with payment for associated hearing aid services up to a maximum of \$1,000 per ear, per child annually and for services associated with a cochlear implant replacement processor up to a maximum of \$1,500 per ear, per child annually. This cap does not include the cost of the device(s), earmolds, or batteries. Children with family incomes at or below 400 percent of the federal poverty level guidelines, and children described in section 391.021(2), Florida Statutes, are eligible for the program. Children enrolled or who can qualify for the Florida Medicaid Program or Children's Health Insurance program are not eligible for the program. The department shall provide to the Governor, President of the Senate, Speaker of the House of Representatives, an annual report for the preceding fiscal year no later than 30 days after the close of the fiscal year on June 30. At a minimum, this report shall include the number of children participating in the program.
