15	From the funds in Specific Appropriation 2054, \$6,000,000 in nonrecurring funds shall be used by the Commission for the Transportation Disadvantaged to continue the Innovative Service Development Grant program. Funds shall be used to provide competitive grants to community transportation coordinators and non-traditional transportation service providers, such as transportation network companies, that provide door-to-door, on-demand, or scheduled transportation services for innovative service delivery that is more cost efficient for the program and time efficient for users. Projects serving a single county may receive up to \$750,000; projects serving multiple counties with a goal of providing regional mobility may receive a maximum of \$1,500,000. A ten percent local match is required for all grants. All funds shall be used to provide direct services to transportation disadvantaged clients. 150	From the funds in Specific Appropriation 2367, \$13,000,000 in funds from the General Revenue Fund, of which \$6,500,000 is nonrecurring, and \$7,763,308 in funds from the Employment Security Administration Trust Fund are provided to the Department of Commerce exclusively for the operations and maintenance of the Reemployment Assistance Claims and Benefits Information System, referred to as the Reconnect System. The department may utilize existing federal funds or any other federal grant or funding source made available to the department to support the operations and maintenance of the Reconnect System, to the extent permitted by federal law, applicable grant terms, and funding availability. State funds in Specific Appropriation 2367 may be utilized to maintain the Reconnect System only to the extent that available and allowable federal funds are insufficient. From these funds, \$13,000,000 in funds from the General Revenue Fund shall be held in reserve. The department is authorized to submit a budget amendment requesting release of funds pursuant to the provisions of chapter 216, Florida Statutes. Release is contingent upon the submission of documentation demonstrating allowable federal funds are insufficient to support the operations and maintenance of the Reconnect System.			150
151				151
152	From the funds in Specific Appropriation 2367, \$990,550 in nonrecurring funds from the Special Employment Security Administration Trust Fund is provided to the Department of Commerce to support enhancements to the Reconnect system to address system logic errors identified in State of Florida Auditor General Information Technology Operational Audit Report Number 2021-169.			152
