Construction/Renovation/Land/Planning Engineering	The funds would be for the abandonment of the existing 8" water main running down Collins Aveune, replaced with a newly installed 16" DIP line. This project also involves pavement restoration of Collins Avenue.	3,414,108
Total State Funds Requested (must equal total from question #6)		4,389,567

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

This grant request for \$4,389,567 would be for the abandonment of the existing 8" water main running down Collins Aveune, replaced with a newly installed 16" DIP line. This project also involves pavement restoration of Collins Avenue.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

The funds will be used to abandon the existing water main and provide an upsized main along Collins Avenue.

c. What are the direct services to be provided to citizens by the appropriations project?

The reconstructed line would be protected from potential impacts, potential leaking of potable water, and potential loss of service to the residents.

d. Who is the target population served by this project? How many individuals are expected to be served?

The residents of the Town of Surfside.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

A new water main will lead to less necessary maintenance on the water conveyance system.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Work to be performed on Contractor's time/cost if delays or performance issues occur at the fault of the Contractor.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

The Town of Surfside.
