Consultants/Contracted Services/Study	N/A	0
Operational Costs:		
Salary and Benefits	N/A	0
Expense/Equipment/Travel/Supplies/Other	N/A	0
Consultants/Contracted Services/Study	N/A	0
Fixed Capital Construction/Major Renovation:		
Construction/Renovation/Land/Planning Engineering	Repairs of the existing stormwater system in Lynn Haven. Costs include engineering and construction.	2,000,000
Total State Funds Requested (must equal total from question #6)		2,000,000

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The funds requested will assist with funding the of the stormwater system repairs in Lynn Haven. The city's stormwater system has sustained severe damage during Hurricane Michael.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Engineering and Construction

c. What are the direct services to be provided to citizens by the appropriations project?

The appropriation project will help with the repairs of the stormwater system which was severely damaged during Hurricane Michael. The repairs will make roads safer and help avoid ponding and structural flooding from damaged drainage structures.

d. Who is the target population served by this project? How many individuals are expected to be served?

The entire City of Lynn Haven, which has a population of 21,000 people.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected benefit of the project is for the stormwater system of Lynn Haven to be repaired. The way this benefit will be measured is by post-repair As-Built surveys and reduction of flooding

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Loss of funding.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

The City of Lynn Haven will receive directly any fixed capital outlay funding since they own the stormwater systems.
