**11. Program Performance:**

**a. What is the specific purpose or goal that will be achieved by the funds requested?**

To enhance the technology used while serving the citizens of Opa-locka, FL and acquire additional devices, to expand criminal investigation efforts. Once known as having the highest crime rate in the United States, Opa-Locka’s current administration is working to change its relationship within the community and increase accountability among police personnel.

**b. What are the activities and services that will be provided to meet the intended purpose of these funds?**

Public safety activities to include quicker incident response times and more efficient incident reporting.

**c. What are the direct services to be provided to citizens by the appropriations project?**

Expedited report filing and records request processes and enhanced cyber security.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

General (The majority of the funds will benefit no specific group)

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Protect the general public from harm (environmental, criminal, etc.). Have the ability to obtain information from victims, witnesses, criminals, and others, immediately after incidents take place. Will increase prosecution rates; reduce recidivism; utilize arrest data to evaluate various crimes and attempts; determine high risk offenders and to divert from the criminal/juvenile justice system. Method for measuring levels of benefit include utilizing software to determine if there has been a reduction in juvenile related crimes over time.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?**

Re-prioritize the appropriation requests.

**12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.**

N/A
