

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2019-2020

LFIR#: 1717

1. **Title of Project:** Family Reconnection Program

2. **Senate Sponsor:** Perry Thurston

3. **Date of Submission:** 02/12/2019

4. **Project/Program Description:**

A Vision of Redemption is a grassroots 501(c)3 non-profit organization serving children and families affected by incarceration. Our vision is to provide a vehicle where parents who are incarcerated can maintain a relationship with their children and our mission is to protect the family even while they're serving time. The organization's programs facilitate the development of self-confidence, emotional wellness, and economic self-sufficiency for these families by creating a network of resources and a foundation of family reunification. The Family reconnection program is built on evidence-based best practices and includes parenting classes, promoting literacy between parent and child through the storybook program, transporting children and families for monthly visits, support group and wrap around services to help families better their outcome.

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The specific goals to be achieved include: reconnecting families, lowering recidivism rates for incarcerated parents, lowering behavioral infractions for incarcerated parents, positive relationship building with parents and children, promoting literacy for children and parents, providing caregiver support and resources to better aid family's financial burdens.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

1. Parenting classes for inmates to learn how to interact with their children 2. Storybooks to parents and children to serve as icebreakers for first visits and to promote literacy for children and parents. 3. Transportation for regular monthly visits to and from prison for children and caregivers 4. Host support group for caregivers where resources are shared to aid with the family's needs.

c. What are the direct services to be provided to citizens by the appropriations project?

To address the daily struggles and adverse outcomes of children with incarcerated parents. A Vision of Redemption's (AVOR's) Family Reconnection Program (FRP) is built on evidence based best practices and includes the following components: using the Parenting Inside Out Curriculum to help returning citizens improve relationships with their children and spouses or significant others; providing storybooks to returning

citizens and their children to serve as icebreakers for the first visits and to promote family literacy for the first and subsequent visits; assisting in transporting children and their caregivers to and from prison for regular, monthly visits with incarcerated parents; and hosting a support group for caregivers so they can share their experiences and access other resources to strengthen family cohesion.

d. Who is the target population served by this project? How many individuals are expected to be served?

Inmate parents. children of inmates, custodial parents/ caregivers who are Broward Residents.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Assisting imprisoned parents with fostering and maintaining meaningful relationships; helping imprisoned parents and their children build vocabulary and literacy skills; assisting children in learning patience, developing listening skills, and using their imaginations; facilitating visitations to aid in the management of the inmate population. Expectations for the program are to reduce recidivism and behavioral infractions, improve literacy skills for parent and child and increase family cohesion.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

n/a
