11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

Construction of hurricane hardening modifications, generators, all connections, and electrical work for 2 preschools and 1 administration/headquarters.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Center-based child care will be provided to the children of first responders working during a local disaster.

c. What are the direct services to be provided to citizens by the appropriations project?

Center-based child care will be provided for the children of first responders working during a local disaster. Services will be available from 7:00 am until 8:00 pm if needed.

d. Who is the target population served by this project? How many individuals are expected to be served?

Children of first responders working during a disaster, between 50-100 children.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Protect the general public from harm (environmental, criminal, etc.); 100 percent of children attending the center shall be free from harm. Assess children's safety and review any emergency/accident/incident.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Standard contract penalties.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

R'Club Child Care, Inc.

13. Requestor Contact Information:

a. Name: Art O'Hara

b. Organization: R'Club Child Care, Inc.
