11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The resurfacing and repaving of Glades communities roads that have fallen into disrepair will improve transportation and public safety, provide immediate job opportunities, and help with economic development.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

The resurfacing and repaving of Glades communities roads.

c. What are the direct services to be provided to citizens by the appropriations project?

Improving roadways will reduce traffic times and allow for citizens to use city infrastructure.

d. Who is the target population served by this project? How many individuals are expected to be served?

Glades Community residents.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improved traffic conditions, improved economic growth -- measured by reduced traffic times and accidents, as well as measuring new business growth in the area.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Standard contract penalties.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

The cities of Belle Glade, Pahokee, or South Bay.
