11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

Create a location for emergency medical services operations to better service the Redingtons while also allowing options for the provision of fire services for that same district.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Emergency Medical Services response unit will be located out of this location. It will also allow for the potential to provide fire protection.

c. What are the direct services to be provided to citizens by the appropriations project?

Emergency Response Services.

d. Who is the target population served by this project? How many individuals are expected to be served?

Visitors and Residents of Redington Shores, Redington Beach, North Redington Beach and surrounding jurisdictions. Estimates of 50,000 visitors and residents.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improved response times for EMS responses.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

No additional penalties above the standard penalties (liquidated damages, performance bond) are contemplated.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

Pinellas County Government.
