<b>Total State Funds Requested (must equal total from question #6)</b>		<b>250,000</b>

**11. Program Performance:**

**a. What is the specific purpose or goal that will be achieved by the funds requested?**

The town of Esto will be in compliance of FDEP and DEP Clean water drinking standards.

**b. What are the activities and services that will be provided to meet the intended purpose of these funds?**

This will provide a continual and reliable source of drinking water to the residents of Esto and the surrounding community which depend on the potable system.

**c. What are the direct services to be provided to citizens by the appropriations project?**

A continuous supply of clean drinking water. No fines or notices will be issued to the Town of Esto from FDEP regarding the status of repairs to the storage facilities for potable water.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

402

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

A continuous supply of clean drinking water. Outcome and results will be measured by the DEP that requires water tests to be performed by a licensed laboratory to ensure compliance with all mandated standards.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?**

Other than the forfeiture of performance bonds, the firm would be placed on the "No Hire" list.

**12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.**

Town of Esto, Florida
