11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

Substantial rehabilitation of homes that improve a person's quality of life.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Substantial home rehabilitation.

c. What are the direct services to be provided to citizens by the appropriations project?

Substantial home rehabilitation.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population are those that do not qualify for state or federal housing rehabilitation assistance. As of early March 2019, the county has identified at least ten individuals that could find benefit from this funding.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Citizen improvement of life, due to healthier and safer housing conditions. All repairs will be made to meet current building code standards.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Standard contract penalties are sufficient.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

Liberty County Board of County Commissioners; homeowners in Liberty County.
