**11. Program Performance:**

**a. What is the specific purpose or goal that will be achieved by the funds requested?**

Restoration of Franklin County, including infrastructure, to the condition it was in prior to damage caused by Hurricane Michael.

**b. What are the activities and services that will be provided to meet the intended purpose of these funds?**

Restoration of the county to pre-hurricane conditions.

**c. What are the direct services to be provided to citizens by the appropriations project?**

The restoration of the county, including repairs to infrastructure and property, to pre-hurricane conditions will allow the county to continue to provide services to its citizens.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

Approximately 12,009 residents of and visitors to Franklin County will benefit from restoration efforts.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Restoration of the county to pre-hurricane conditions, which can be measured by the recovery of the county.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?**

FEMA projects are subject to FEMA procurement and auditing standards. Standard contract penalties for the contract between the state and county are sufficient.

**12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.**

Franklin County.
