Total State Funds Requested (must equal total from question #6)		100,000

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

Cost recovery for the City of Quincy for revenues lost as a direct result of Hurricane Michael. The utility revenues would have been transferred to the general fund to cover police and fire personnel costs.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Funding for police and fire personnel.

c. What are the direct services to be provided to citizens by the appropriations project?

Police and fire services.

d. Who is the target population served by this project? How many individuals are expected to be served?

Over 10,000 residents and businesses within the city.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Assisting City of Quincy financially to cover costs experienced from Hurricane Michael, specifically related to the provision of police and fire services that are funded with utility revenues.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Withhold partial funding until proper proof of revenue losses are provided.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

City of Quincy
