

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2019-2020

LFIR#: 2577

1. Title of Project: Hurricane Michael - Calhoun County - Infrastructure Repairs

2. Senate Sponsor: Bill Montford

3. Date of Submission: 03/19/2019

4. Project/Program Description:

Calhoun County facilities, buildings, and infrastructure sustained varying levels of damage from Hurricane Michael. The county currently has \$21,297,755 in scheduled properties with a 3 percent deductible for damaged buildings, which is a total deductible of \$638,932.65. In order to rebuild, the county is asking for assistance with insurance deductibles needed to go forward with infrastructure repairs.

Additionally, the Calhoun County Search and Rescue building located at 19024 NW SR 73, Clarksville 32430 was completely destroyed due to Hurricane Michael. This essential facility was not insured. Estimated costs to rebuild this facility are \$250,000.

5. State Agency to receive requested funds : Executive Office of the Governor

State Agency Contacted? Yes

6. Amount of the Nonrecurring Request for Fiscal Year 2019-2020

Type of Funding	Amount
Operations	
Fixed Capital Outlay	888,933

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

Allowing the county to move forward with the rebuilding process of insured damaged properties. Reconstructed search and rescue facility to provide services to citizens in the immediate area.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Quicker rebuild of essential facilities including the Sheriff's Office, Senior Citizen's Center, Courthouse, Volunteer Fire Departments, Health Department, Recycling Center, and Search and Rescue building. Restoration of county services, including the search and rescue of missing and endangered persons.

c. What are the direct services to be provided to citizens by the appropriations project?

Rebuild of governmental facilities that provide direct services to the citizens, including search and rescue services.

d. Who is the target population served by this project? How many individuals are expected to be served?

All residents of Calhoun County (approximately 15,000 individuals).

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Quicker recovery and rebuild of county facilities/property. County services will return to pre-hurricane service levels. Better response times to endangered or missing persons. Calls will be documented and monitored.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Standard contract penalties are sufficient.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the
