11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

County roads will be repaired and the public will be able to traverse them safely. County government business will be able to run more effectively and at normal operations.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Public transportation, public safety, and operations management.

c. What are the direct services to be provided to citizens by the appropriations project?

Public transportation, road repair, ditch repair, bridge maintenance and repair, and local government services.

d. Who is the target population served by this project? How many individuals are expected to be served?

Residents and visitors. Over 13,000 residents and over 45,000 visitors per year.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Restored roadways.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Standard contract penalties are sufficient.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

Gulf County.
