11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The funding will allow the Wakulla County Sheriff's Office to enhance the safety of the citizens during a disaster.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

The funds will provide critically needed equipment that will assist the Wakulla County Sheriff's Office during a disaster.

c. What are the direct services to be provided to citizens by the appropriations project?

A high water rescue vehicle and rescue boat will allow the Wakulla County Sheriff's Office to rescue citizens. The traffic message board will keep citizens notified of evacuation routes and other important disaster information.

d. Who is the target population served by this project? How many individuals are expected to be served?

All citizens (32,120) of Wakulla County, specifically in low lying areas throughout the county.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The Wakulla County Sheriff's Office will have the proper equipment to rescue citizens during catastrophic flooding events.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Denial of funding and subsequent audit.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.
