## 11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

The City of Gulfport is seeking funding assistance for the construction of the Gulfport Linear Breakwater Park Project. This project is part of a multi-year City-wide effort to redevelop its Waterfront Marina District, promote eco-tourism, beautify, educate and provide access to its living shoreline. Raised Boardwalks, Landscaping, Beach and Habitat restoration will provide the marina with some necessary protection against the element. City will pay the cost of the design of these facilities with local funds.

- b. What activities and services will be provided to meet the intended purpose of these funds?

A beautified entry feature will provide the community with the location and destination location of the Gulfport Linear Breakwater Park that begins a hardscape ADA compliant access path approximately 750' long, with fencing, and railing to direct the public to the gazebo at the end of the Project.

of the Beach and Landscaping are other features amenities being provide to promote the restoration of the shoreline.

Finger Piers will be provided along the southern portion of the linear boardwalk with benches for sitting and fishing.

A one story gazebo constructed at the tip of the peninsula will provide the users a prominent spot for observing the nature of Boca

- c. What direct services will be provided to citizens by the appropriation project?

Will provide the community with the location and destination location of the Gulfport Linear Breakwater Park that begins a hard scape ADA compliant access path approximately 750' long, with fencing, and railing to direct the public to the gazebo at the end of the Project. Enhancement of the Beach and Landscaping are other features amenities being provide to promote the restoration of the shoreline. Finger Piers will be provided along the southern portion of the linear boardwalk with benches for sitting and fishing.

- d. Who is the target population served by this project? How many individuals are expected to be served?

Residents of the City of Gulfport and Pinellas County - Visitors to and Resident population immediately adjacent to Boca Ciega Bay.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Documentation of Usage

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Project Funds would not be re-reimbursed to the City of Gulfport upon project completion and inspection.
