11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

There are remaining properties in the Town of Mangonia Park that are not connected to water and/or sewer. This funding will connect sewer to one of the neighborhoods that is the target site for workforce housing.

- b. What activities and services will be provided to meet the intended purpose of these funds?

Connection to sewer for approximately 180 fee simple properties.

- c. What direct services will be provided to citizens by the appropriation project?

Healthy and environmentally friendly connection to sewer and the elimination of septic tanks.

- d. Who is the target population served by this project? How many individuals are expected to be served?

The target population are residents and families of middle income .

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The targeted outcomes are to in the first phase bring sewer connection to the neighborhood and in the second phase bring water connection to the neighborhood. Due to fiscal constraints, the Town has not been able to bring water and sewer connection to existing and future residents of this area.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?
