

- 1. **Project Title** Miami-Dade County Sea Level Rise Hardening at NE 89 St from NE 10 Ct to North Bayshore
- 2. Senate Sponsor Oscar Braynon
- 3. Date of Request 11/12/2019

4. **Project/Program Description**

The proposed improvements consist of sea level rise hardening of the roadway to help mitigate local tidal flooding produced by king tides and storm surge along NE 89th Street from NE 10 Court to North Bayshore Drive. The improvements will include the redesign and reconstruction of the roadway cross section to raise the elevation of the road within the County's right-of-way.

5. State Agency to receive requested funds

Department of Environmental Protection

State Agency contacted? O Yes No 6. Amount of the Nonrecurring Request for Fiscal Year 2020-2021

Type of Funding	Amount
Operations	000
Fixed Capital Outlay	331,500
Total State Funds Requested	331,500

7. Total Project Cost for Fiscal Year 2020-2021 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	331500	85.0 %
Matching Funds		
Federal	00	0 %
State (excluding the amount of this request)	00	0 %
Local	58,500	15 %
Other	00	0 %
Total Project Costs for Fiscal Year 2020-2021	390,000	100 %

8. Has this project previously received state funding? \bigcirc Yes \odot No

If yes, provide the most recent instance:

Fiscal Year	Amount		Specific	
(уууу-уу)	Recurring	Nonrecurring	Appropriation #	Vetoed

9. Is future-year funding likely to be requested? O Yes O No

If yes, indicate nonrecurring amount per year.

LFIR # 1631

10. Details on how the requested state funds will be expended

Spending Category	Description	Amount		
Administrative Costs:				
Executive Director/Project Head Salary and Benefits				
Other Salary and Benefits				
Expense/Equipment/ Travel/Supplies/Other				
Consultants/Contracted Services/Study				
Operational Costs: Oth	er			
Salary and Benefits				
Expense/Equipment/ Travel/Supplies/Other				
Consultants/Contracted Services/Study				
Fixed Capital Construction/Major Renovation:				
Construction/Renovation/ Land/Planning Engineering	Redesign and reconstruction costs	331,500		
Total State Funds Re	331,500			

LFIR # 1631

11. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The objective of this project is to reduce roadway flooding resulting from king tide and storm surge events associated to sea level rise.

b. What activities and services will be provided to meet the intended purpose of these funds?

Re-design and re-construction of the roadway cross section to raise the elevation of the road to provide flood protection to residents from king tide and storm surge events .

c. What direct services will be provided to citizens by the appropriation project?

This project will reduce flooding and provide roadway access to public and private residents during king tide and storm surge events.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population served by the project are the residents abutting the roadway. Approximately 300 individuals are expected to be served by this project.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefit of raising the roadway is that it ensures that flooding resulting from sea level rise king tide and storm surge events will be minimized. Additionally, it will extend the roadway service life.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Liquidating damages will be applied to the contracting agency resulting from failing to meet contract performance measures.

12. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

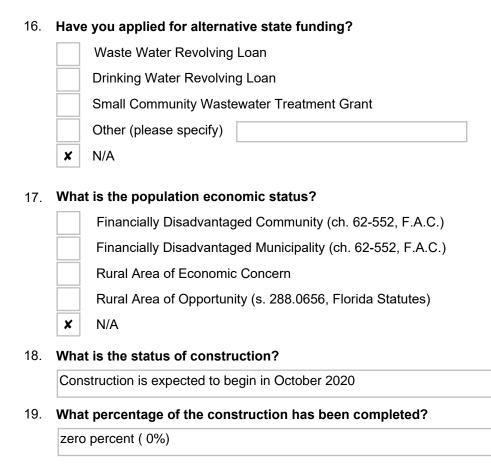

Miami Dade County is the entity to receive funds. The roadway is located within Miami Dade County Right of Way and is owned and maintained by Miami Dade County.
