11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

To build Phase 1 of 3 of the Florida State University Veteran's Legacy Complex. The first building will be the Student Veterans Center and will serve as gathering place and study hall for enrolled student veterans, as well as a setting to build relationships and peer support

- b. What activities and services will be provided to meet the intended purpose of these funds?

The Veteran's Legacy Complex will be a one-stop shop of resources, programs and services for FSU veterans. The Student Veteran's Center will have a full size student auditorium, social gathering rooms for clubs and organizations to use, quiet study rooms, and administrative and advisor offices

- c. What direct services will be provided to citizens by the appropriation project?

The building will provide one cohesive space for student veterans to gather on campus and will be a beacon to service members, civilians, veterans, and future FSU applicants. Currently, these units are housed in separate locations on campus, which limits the sense of community among student veterans, their peers and Florida State supporters. With the building, Florida State can become the national leader for student-veteran support and success.

- d. Who is the target population served by this project? How many individuals are expected to be served?

The target population will be the university/college Students. The amount of individuals expected to be served is >800.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The result of this project will improve the quality of education. The measure will be the number of student veterans enrolled at Florida State University and their scholastic achievements. The method for measuring level for benefit or outcome will be tracking registration and academic surveys.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?
