Local Funding Initiative Request

Fiscal Year 2020-2021

LFIR # 2184

1. **Project Title**
2. **Senate Sponsor**
3. **Date of Request**

4. **Project/Program Description**

These funds will be used to continue the lighthouse restoration activities by reconstructing a historically significant Lighthouse Keeper's Cottage and operating it as an Education Center. The Education Center will be staffed by experienced volunteers who will focus on a broad range of topics (Lighthouse Keepers, Fresnel Lens, Native Americans, citrus industry, maritime industry, and space programs). Reconstructing the lighthouse facilities will benefit Florida's historic preservation, certain Native American tribes, and the state by providing on-going long-term education and preservation activities.

11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

The Education Center will have interactive programs which students throughout the state can utilize to experience the unique and trailblazing history of the site. Information will chronicle the space program and the history of Native Americans.

- b. What activities and services will be provided to meet the intended purpose of these funds?

The reconstruction will restore the historical configuration of the building that existed during the period 1868-1950. The facility will be used as an Education Center where lectures and interactive programs will be presented to visitors.

- c. What direct services will be provided to citizens by the appropriation project?

The Lighthouse Keepers' Cottages are unique tourist and education attractions for the community, the State of Florida, and the nation.

- d. Who is the target population served by this project? How many individuals are expected to be served?

The largest population is local residents, students, and tourists, many of whom come to Brevard County via cruise ships (the second largest cruise port in the United States). The number of individuals expected to visit the Education Center are 5,000+ annually.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefit of this project will be an opportunity to experience the background of Native Americans who resided in the area and the challenges of the Lighthouse Keepers' families living and working at the lighthouse under arduous conditions. The experience of the early settlers and pioneers of the Cape is a unique tale that is an essential part of the chronicle of the lighthouse. Future generations will be exposed to the diverse and delicate ecosystem. The methodology that will be used to measure the outcome will be increased number of visitors to the Cape Canaveral Lighthouse.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Withhold payment until compliance.
