11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

The funds requested will assist with funding of the improvements of the city's roads that were damaged. Hurricane Michael and the debris trucks have damaged the roads, which were substandard prior to the storm.

- b. What activities and services will be provided to meet the intended purpose of these funds?

Engineering and construction.

- c. What direct services will be provided to citizens by the appropriation project?

The project will help with the funding of reconstructing damaged roads.

- d. Who is the target population served by this project? How many individuals are expected to be served?

The entire City of Lynn Haven, which has a population of 21,000.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected benefit of the project is repaving the roads of Lynn Haven. The way this benefit will be measured is by post-repair as-built surveys and quality of life.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Loss of funding.
