## 11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

Design and engineering of a much needed Public Safety and Emergency Operations Center. The current emergency operations center is old and beyond repair, to the point of the city not being able to utilize the facility for public safety training or natural disaster operations. The new facility will be an estimated 25,000 sq. ft. building that can withstand 190 mph winds and will be engineered to enable the continuation of local public safety training and government operations during a natural disaster event.

- b. What activities and services will be provided to meet the intended purpose of these funds?

Once funds are received, the police department will execute a bid for contract to assist in the design and value added engineering of the facility.

- c. What direct services will be provided to citizens by the appropriation project?

Upon completion of the project as a whole, this facility will provide more efficient services to residents and first responders during a declared natural disaster as well as a public safety training facility to provide continued education to first responders.

- d. Who is the target population served by this project? How many individuals are expected to be served?

The residents and first responders of the City of Fort Pierce.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Upon completion of the project as a whole, this facility will provide more efficient services to residents and first responders during a declared natural disaster as well as a public safety training facility to provide continued education to first responders.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Failure to meet deliverables without notification of good reason will result in financial penalties as described in the contract.
