## Local Funding Initiative Request

### Fiscal Year 2021-2022

LFIR # 1008

1. **Project Title**
2. **Senate Sponsor**
3. **Date of Request**

**4. Project/Program Description**

The proposed project includes roadway improvements and road reconstruction of the roadway segment along NW 89th Ave, the creation of a pedestrian-bike share path, sidewalks, roadway striping and landscaping as well as drainage improvements for flood protection. The proposed roadway improvements and road reconstruction along NW 89th Ave will consist of widening, reconstruction, milling and resurfacing of about 1,200 LF of a 3-lane roadway to two twelve-foot-wide vehicular travel lanes, two-foot-wide green bicycle lane, two feet of curb and gutter, and a ten-foot landscape buffer, as well as a six-foot-wide sidewalk to provide pedestrian connectivity. The proposed improvements incorporate six-foot-wide, continuous sidewalks and street crossings as recommended in the Town of Medley Multimodal Mobility Plan. The roadway reconstruction will modify the profile of the road and the stormwater drainage system will be retrofitted.

5. **State Agency to receive requested funds**
- State Agency contacted?**

**6. Amount of the Nonrecurring Request for Fiscal Year 2021-2022**

Type of Funding	Amount
Operations	0
Fixed Capital Outlay	400,000
<b>Total State Funds Requested</b>	<b>400,000</b>

**7. Total Project Cost for Fiscal Year 2021-2022 (including matching funds available for this project)**

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	400,000	31%
<b>Matching Funds</b>		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	900,000	69%
Other	0	0%
<b>Total Project Costs for Fiscal Year 2021-2022</b>	<b>1,300,000</b>	<b>100%</b>

8. **Has this project previously received state funding?**

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. **Is future funding likely to be requested?**
- a. **If yes, indicate nonrecurring amount per year.**

b. **Describe the source of funding that can be used in lieu of state funding.**

10. **Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?**

# The Florida Senate

## Local Funding Initiative Request

### Fiscal Year 2021-2022

LFIR # 1008

No

If yes, indicate the amount of funds received and what the funds were used for.

**11. Details on how the requested state funds will be expended**

Spending Category	Description	Amount
<b>Administrative Costs:</b>		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
<b>Operational Costs: Other</b>		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
<b>Fixed Capital Construction/Major Renovation:</b>		
Construction/Renovation/Land/Planning Engineering	The proposed project includes roadway improvements and road reconstruction of the roadway segment along NW 89th Ave, the creation of a pedestrian-bike share path, sidewalks, roadway striping, and landscaping as well as drainage improvements for flood protection.	400,000
<b>Total State Funds Requested (must equal total from question #6)</b>		<b>400,000</b>

**12. Program Performance**

**a. What specific purpose or goal will be achieved by the funds requested?**

The main objective of this project is to improve roadway conditions and drainage to advance services to the local residents by providing pedestrian sidewalks and bicycle lanes, drainage and flood protection.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

The proposed project includes roadway improvements and road reconstruction of the roadway segment along NW 89th Ave, the creation of a pedestrian-bike share path, sidewalks, roadway striping, and landscaping as well as drainage improvements for flood protection. The proposed roadway improvements and road reconstruction along NW 89th Ave will consist of widening, reconstruction, milling, and resurfacing of about 1,200 LF of a 3-lane roadway to two twelve-foot-wide vehicular travel lanes, two-foot-wide green bicycle lane, two feet of curb and gutter, and a ten-foot landscape buffer, as well as a six-foot-wide sidewalk to provide pedestrian connectivity. The proposed improvements incorporate six-foot-wide, continuous sidewalks and street crossings as recommended in the Town of Medley Multimodal Mobility Plan. The roadway reconstruction will modify the profile of the road and the stormwater drainage system will be retrofitted.

**c. What direct services will be provided to citizens by the appropriation project?**

This project is critical for the safety of local residents as well as economic growth and job creation for the Town of Medley. The Town of Medley is requesting funding for roadway and drainage improvements, including the reconstruction of the roadway, milling, resurfacing, and widening of the existing pavement to accommodate curb & gutter, signage, pavement markings as well as pedestrian sidewalks and bicycle lanes. The project also includes drainage improvements with additional catch basins, swales and exfiltration trenches, and other infrastructure improvements for water quality.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

# The Florida Senate

## Local Funding Initiative Request

### Fiscal Year 2021-2022

LFIR # 1008

The general public and local businesses are the target population for this project.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

The benefits of this project include improving the capacity for a corridor serving heavy industrial areas of the town and promoting growth, economic development and job creation. This project promotes the economic growth of the industrial redevelopment of an underutilized area within the Town of Medley as it will increase business opportunities and bring social and economic benefits to the local residents as well as visitors. This project will improve the town's road network, will allow the easier flow of traffic, promote multi-modal mobility and emergency evacuation, and improve connectivity and accessibility for the transportation of goods and the circulation of heavy equipment.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

The contract will have standard language that will include liquidated damage or debarment.

**13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.**

The Town of Medley is the sole owner and will be responsible for any maintenance once the project has been completed.
